Town Warrant

COMMONWEALTH OF MASSACHUSETTS

FRANKLIN, ss

To either of the Constables of the **Town of Northfield** in the County of Franklin. Greeting:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of said Town, qualified to vote in elections and in town affairs, to meet at the Town Hall in said Town, on February sixth, 1939, at 10 o'clock in the morning, then and there to act on the following articles:

Article 1. To hear the reports of the several Town Officers and act thereon.

Article 2. To choose all necessary Town Officers for the ensuing year, the following to be on one ballot: Town Clerk, Town Treasurer, three Selectmen for one year, one Assessor for three years, Town Moderator for one year, two Library Trustees for three years, one School Committee member for three years, one Cemetery Commissioner for three years, one Cemetery Commissioner for one year, Tree Warden for one year, Tax Collector for one year, three Constables for one year, one Constable for one year, a resident of Northfield Farms. The polls may close at FIVE O'CLOCK P. M.

Article 3. To see if the town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1939 and to issue a note or notes therefor, payable within one year, and to renew such note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws: any debt or debts incurred under this vote to be paid from the revenue of

the financial year beginning January 1, 1939, and raise and appropriate a sum of money for the same.

Article 4. To see if the town will raise and appropriate a sum of $50.00 for the use of the Library at Northfield Farms or act thereon.

The Finance Committee recommends $50.

Article 5. To see if the town will raise and appropriate a sum of money to be used by the Tree Warden in the care and preservation of shade trees or act thereon.

The Finance Committee recommends $100.

Article 6. To see if the town will raise and appropriate a sum of money for lighting the streets, or act thereon.

The Finance Committee recommends $2,955.

Article 7. To see if the town will raise and appropriate a sum of money for special highway work, or act thereon.

The Finance Committee recommends $1,700.

Article 8. To raise and appropriate such sums of money as shall be necessary to defray town charges for the ensuing year, or act thereon.

Schools	**$34,665**	**Old Age Assistance**	**$14,000**

		Interest on Temporary Loans	**50**

Article 9. To determine the salary of the Tax Collector, or act thereon.

The Finance Committee recommends $400 for salary and $125 for expenses.

Article 10. To see if the town will empower the Selectmen to defend the town in any suit brought against the town or act thereon.

Aricle 11. To see if the town will raise and appropriate a sum of money to be used in the extermination of the Gypsy Moth or act thereon.

The Finance Committee recommends $700.

Article 12. To see if the town will raise and appropriate a sum of money to defray the expenses of a Community Nurse, or act thereon.

The Finance Committee recommends $1,250 for salary and $25 for expenses.

Article 13. To see if the town will raise and appropriate a sum of money to be used in putting up railing, or act thereon.

The Finance Committee recommends $400.

Article 14. To see if the town will vote to accept from Samuel E. Walker the deed of his cemetery lot, and the sum of $200.00, the interest thereof to be used for the care of the Samuel E. Walker lot.

Article 15. To see if the town will raise and appropriate a sum of money for a reserve fund for the current year, or act thereon.

The Finance Committee recommends $1,500 to be appropriated from Surplus Overlay.

Article 16. To see if the town will raise and appropriate a sum of $400 for the care and preservation of cemeteries or act thereon.

The Finance Committee recommends $400.

Article 17. To see if the town will authorize the Selectmen to enter into contract with the Board of Public Works, Division of Highways, for repair and improvement of roads and highways, exclusive of State Highways and raise and appropriate a sum of money for that purpose, or act thereon.

The Finance Committee recommends $14,850.

Article 18. To see if the town will raise and appropriate the sum of $1,400 for the usual expenses of Dickinson Memorial Library and for its special need of additional bookshelves.

The Finance Committee recommends $1,200.

Article 19. To see if the town will raise and appropriate any sum of money to co-operate with the State and County in building a section of permanent highway on Warwick Road in accordance with Chapter 90 of the General Laws or pass any vote or votes in relation thereto.

The Finance Committee recommends $4,000.

Article 20. To see if the town will raise and appropriate a sum of money for Memorial Day exercises, the same to be expended under the direction of the Sons of Veterans and the American Legion, or act thereon.

The Finance Committee recommends $125.

Article 21. To hear the report of the Committee on High School Building repairs and to see if the town will raise and appropriate a sum of money to make said repairs, or take any vote or votes in relation thereto.

Article 22. To see if the town will raise and appropriate a sum of money to be used for spraying trees on or near some of our highways or act thereon.

The Finance Committee recommends $50.

Article 23. To see if the town will vote to appoint a clerk for the Public Welfare and Old Age Assistance and raise and appropriate a sum of money for the expense of the same or pass any vote or votes in relation thereto.

The Finance Committee recommends $200.

Article 24. To hear the report of the Selectmen on the Rustic Ridge Road layout and to see if the town will vote to raise any money for same, or take any vote or votes in relation thereto.

Article 25. To see if the town will vote to raise and appropriate a sum of money to buy forest fire equipment or take any vote or votes in relation thereto.

The Finance Committee recommends no appropriation.

Article 26. To see if the town will raise and appropriate a sum of money for constables pay or take any vote or votes in relation thereto.

The Finance Committee recommends $200.

Article 27. To see if the town will vote to raise and appropriate a sum of money for resurfacing sidewalks, or act thereon.

The Finance Committee recommends $500.

Article 28. To hear the report of the Special Alexander Hall Committee and take action thereon.

Article 29. To see if the town will raise and appropriate a sum of money for care of the Athletic Field.

The Finance Committee recommends $200.

Article 30. To see if the town will vote to appropriate a sum of money to pay unpaid bills held over from last year or take any action thereon.

Article 31. To see if the town will vote to raise and appropriate the sum of $500 to meet the requirements of the State Department of Public Safety at the Center and Pine Street School buildings.

The Finance Committee recommends $500.

Article 32. To see if the town will raise and appropriate a sum of money to construct a drain through the ditch lot, so-called, in the meadow, or act thereon.

The Finance Committee recommends no appropriation.

Article 33. To see if the town will vote to re-install the street light at the Uniarian Church sheds and raise a sum of money for same.

The Finance Committee recommends no appropriation.

Article 34. To see if the town will vote to accept the sum of $50 from the Inez E. Holton Estate, the income to be used for the care of the Willard Fleming cemetery lot in Northfield Farms.

Article 35. To see if the town will accept $150 from the Trustees of the Village Improvement Society, and appropriate a like amount of $150, to be expended by a Committee appointed by the Moderator, in the planting and care of trees upon the town highways.

The Finance Commitee recommends $150 to be transferred from the Storm Damage Account.

Article 36. To see if the town will raise and appropriate $250 for restoring the allowance formerly given the Town Nurse for car expense.

Article 37. To see if the town will vote to prescribe the manner of giving notice of town meetings by specifying the number of places where warrants shall be posted or pass any vote or votes in relation thereto.

Article 38. To see if the town will vote to instruct the Selectmen or a committee to investigate for land for a cemetery, or appropriate a sum of money for same, or pass any vote or votes in relation thereto.

Article 39. To see if the town will vote to make any disposition of the Chevrolet truck or act thereon.

Article 40. To see if the town will raise and appropriate a sum of money to be used in connection with the WPA or any other Project work or act thereon.

Article 41. To see what action the town will take regarding the disposal of the Town Hall sewerage, appropriate any sum of money for same or act thereon.

Article 42. To see if the town will raise and appropriate a sum of money to drain the surface water across the land of Ernest Whitney or act thereon.

The Finance Committee recommends $800.

Article 43. To see if the town will authorize the Selectmen to grant the use of the Town Hall without charge for the legitimate recreational life, under proper supervision, of young people of Northfield, or take any vote or votes in relation thereto.

And you are directed to serve this Warrant by posting up attested copies thereof at the Post Offices in Northfield, East Northfield, West Northfield, at the School House in District No. 6 and the store of F. V. Wood at Northfield Farms, seven days at least before the time of holding said meeting.

Hereof fail not, and make due return of this Warrant, Warrant, with your doings thereon, to the Town Clerk, at the time and place of meeting, as aforesaid.

Given under our hands this twenty-seventh day of January in the year of our Lord one thousand nine hundred and thirty-nine.

FRED A. HOLTON
F. MYRON DUNNELL
HERMON B. FISHER

Selectmen of Northfield

Report of Selectmen

The report of the various Town Officers and Committees for the year ending December 31, 1938 are herewith respectfully submitted.

There has been a new set-up in the State Health work. After this we do not appoint Dr. Lee as agent of the Board of Health, nor Mr. Paul Doneilo as Milk Inspector, but we are to have their services in testing milk and water and their advice on Board of Health work.

We reported 83 cases of communicable diseases in 1938 some of them were chicken pox and German measles.

The Finance Committee is making recommendations for the appropriations to be made at the Town Meeting, after careful study of the condition of the town.

Respectfully submitted,

FRED A. HOLTON

F. MYRON DUNNELL

HERMON B. FISHER

Selectmen of Northfield

Report of Finance Committee

The Finance Committee held meetings on October 20 and December 29, 1938 and on January 18, 1939.

At the January meeting the appropriations for the coming year were considered carefully with Town Officers responsible for making up budgets. You will find our recommendations printed in connection with the Town Warrant.

We recommend that the following amounts to be appropriated from Surplus Revenue account:

Snow Removal	$3,000
Old Age Assistance	$7,000

Respectfully submitted,

WALTER W. HYDE	1939
FRANK W. WILLIAMS	1939
ROSS L. SPENCER	1940
FRANK E. EVANS	1940
FRANK H. MONTAGUE, Ch.	1941
GEORGE McEVAN	1941

Outstanding Checks, December 31, 1938, Per List	5,202 56	
		$ 17,168 04

In June it was necessary to secure a loan in anticipation of revenue, and as the town was free from all bonded or other indebtedness the low rate of one-fifth of one per cent was given us. A part of this loan not needed for immediate use was placed in a time deposit account from which enough interest was received to leave a small balance, after paying the interest and other costs incidental to the loan.

Respectfully submitted,

CHARLES F. SLATE, Treasurer

Report of the Town Clerk

Vital Statistics

It is extremely important that the **Vital Statistics** record be complete and correct. If any errors or omissions are discovered the Clerk will deem it a favor to have them reported at once so that corrections may be made.

As required by Chapter 46, Section 15, General Laws of Massachusetts:

Notice is hereby given that the Town Clerk will furnish blanks for returns of births to parents, householders, physicians, and registered hospital officers applying for the same.

JOSEPHINE S. HASKELL, Town Clerk

Report of the Trustees

OF DICKINSON MEMORIAL LIBRARY

One of the important buildings in a town is its public library, and its increased use is an index of the interest and appreciation of its citizens. This year we were able to buy more books and as a result our circulation has considerably increased.

Due to the September 21st hurricane, the work was much disrupted for six days, the library being obliged to close at five o'clock because of no lights or heat.

New bookshelves have been built in the northwest room, and we now have an attractive and much needed children's room, thus relieving the congestion in the main stock room.

We have received, through the will of Miss Amy Alexander of Springfield, Massachusetts, 735 volumes, which we gratefully acknowledge. In order to care for these, the library needs more bookshelves to fit up another room to take care of this generous gift.

In order to meet the pressing needs of the library, we are asking for the same appropriation as last year.

We wish to express our appreciation and thanks to those who have given books and help, and we ask for your continued interest.

Respectfully submitted by the trustees,

MRS. NELLIE M. WOOD, Chairman

Report of
School Superintendent

To the School Committee and
Citizens of the Town of Northfield:—

Herewith I submit the annual report of the activities of the School Department for the fiscal year, 1938. This is the fourteenth report of the present superintendent and covers the 202nd year of the Public Schools of the Town of Northfield.

Part One—Organization

There were no changes in the teaching personnel of the High School during the past school year. The changes in the Grades include three at the Center School; one at East and two at West.

In the Center School, Miss Vorce resigned to be married; Miss Abbott went to Marion, Mass., and Miss June Wright resigned to attend Boston University, for Post-Graduate work. Much to the sorrow of all, Miss Bready left us, to take a position in Greenfield. She is a successful and popular teacher and richly merits her promotion. Miss Beatrice Cembalisty at the West School, resigned to be married. Miss Braley was transferred to the Center School as the English teacher in the Departmentalized upper grades.

To maintain a school in the upper room at the West building would require an expenditure of money which was not available at this time, so the room was closed, the fifth, sixth and seventh grades transferred to Pine Street, and the eighth brought to the Center School. The eighth grade of Pine Street School was transferred to the Center School and now all the eighth grade pupils in town are at the Center School.

These changes make for a reduced cost, for, while the cost of transportation is increased, there is one less teacher, and maintenance of one less room. On the other hand, the efficiency of the school plant is increased and the pupils bet-

ter trained. The organization at the Center School prepares the pupil for the High School more efficiently than the former method where there are several grades in a room, with one teacher to carry on all the instruction.

Under the present method of organization, the average number of grade pupils per teacher is twenty-three and the average number of High School pupils is a little less than nineteen. These figures approximate those of other towns and cities, excepting those places with crowded mill populations.

The new teachers include Miss Helen L. Pearson, graduate of Bridgewater Teachers College, and Miss Glenna L. Gibson of Fitchburg Teachers College, with a year's training in lower grade work. These were placed in the Center School. Miss Margaret L. Hubbard, with four year's training at the Wheelock School, was assigned to the lower grades of Pine Street; and Miss Eleanore Kremen was placed at the West School. Miss Kremen is a graduate of Framingham Teachers College.

Books and supplies have been purchased and distributed as far as the amount appropriated will allow. Rapid changes in world affairs make it difficult to supply the materials needed to keep abreast of the times. Geography and History in the Grades; and Science and History in the High School are subjects where changes are taking place so rapidly that the latest books become out-of-date in a very short time.

Buildings and Equipment:—The architecture of our buildings is so widely different from modern ideals that remodelling costs large amounts and the results are not very satisfactory. The heating and ventilating plants do not work very well and the fuel cost is unreasonably high in consequence. Every move made has been done to make our buildings better educational centers, and as safe and as economical in operation as possible. The problem to be discussed this year is in relation to the High School and will not need more than a reference in this report.

The PLAYGROUND at the Center School was thoroughly gone over during the summer and new swings installed. They are of rustless steel, solidly set and will last

indefinitely. The playground at the East School should be the next to receive attention and a similar set of swings installed this summer. Private initiative will add other apparaus to make the grounds a source of pleasure and health for all the children in the respective neighborhoods.

The abrupt decrease in number of pupils has ceased and the number now attending will continue for an indefinite time. Any plans laid should be on an assumption of the number now enrolled.

The income of the Belcher Fund, given many years ago "For the benefit of the Center School" was used this year to grade the land immediately in front of the building and seed it for a lawn. The change elicited favorable comment.

Part Two—Statistical

The preceding expenditures, itemized according to the rules adopted several years ago by the State Board of Education, originated within the Town and by vote of the School Committee. The following expenditure is in accordance with the provisions of the "Smith-Hughes Act." This law, passed by the Federal Congress aims to organize and support Vocational Education in properly located centers throughout the United States. Greenfield has been approved as such a center and a school organized there. Pupils from surrounding towns are accepted under stipulated regulations and the towns from which the pupils come are responsible for their tuition. The amount so paid is reimbursed, in whole or larger part, by the Federal Government. An agent

is located in the State House in Boston.

The item referred to is as follows:

Town of Greenfield:

The reports of the School Physician and the School Nurse are herewith submitted. Their care and expert advice have kept disease from obtaining a hold among our pupils.

It is our wish to surround the pupils with every safeguard and to give thorough instruction that we may bring them to maturity able to meet the demands of our increasingly complex civilization.

Respectfully, submitted,

LINVILLE W. ROBBINS,

Superintendent of Schools

Report of School Physician

To the Board of Education:—

Herewith I submit the annual report of the Medical Department for the year 1938.

Assisted by the District Nurse, Miss Purrington, all the schools were examined during the month of November.

Examinations were delayed one month this year because of the hurricane.

The following defects were found in school children during the examination:

Poor posture	78
Speech defects	8
Poor nutrition	69
Enlarged tonsils	43
Diseased tonsils	7
Heart disease	3
Acne	37
Icthyosis	2
Blepharitis	8
Deformed arm	1
Diabetic	1
Tachycardia	2
Impetigo	1
Systolic murmur	1
Nasal catarrh	1
Dilatation of heart	1
Left scoliosis	1

The number of cases of poor nutrition is much too high for the number of pupils in our schools.

I would again bring to parents' attention as I have during recent years the importance of better noon lunches. By better lunches we mean better balanced lunches, includig hot soup and milk served from thermos bottles.

We would suggest this be made a study by the Health Council. If supervised, room could be found in all school buildings where hot lunches could be served at noon.

All cases of speech defect have been referred to the State Department, and examination and recommendation for treatment will be given at various periods during the year.

The toxoid clinic, which is immunization against diptheria, was held during the latter part of May and the first of June. Twenty-five children were immunized.

There are still 93 children in Northfield who have not been immunized against diptheria. This is a much larger number than found in other towns in our county.

It is hard to understand why parents should refuse to have their children immunized, when there is no expense, and the children are fortified against one of the most dangerous diseases known. During the past year we had deaths in Franklin County from diptheria and in every case the children had not been immunized. All the school buildings have been inspected at various times during the year. Many constructive improvements have been made and we still have room for more.

The Center School is now in the best sanitary condition it has been in during the past eleven years.

Last year we appealed to the parents to instruct children in helping us to maintain better sanitary conditions in all the schools, and we can see some improvement.

With the exception of a few cases of scarlet fever and whooping cough, our schools have been free from contagious disease during the past year.

I wish to thank the Superintendent, teachers and School Committee for their co-operation during the past year. I also wish to thank the School Nurse, Miss Purrington, for conscientious, constructive work in the schools during the past year.

Respectfully submitted,

ALLEN H. WRIGHT, M. D.

School Physician

Report of School Nurse

To the Superintendent of Schools
and the School Committee of Northfield:

I herewith submit a report of my work beginning May 1, 1938 to January 1, 1939:

Class room visits	125
Class room visits	125
Individual inspections	29
Number pupils excluded	5
Number pupils re-admitted	5
Number other inspections	22
Eyes and ears tested	161
Measuring and weighing	435
Inspections by Nurse	109
First aid	9
First aid demonstration	1
Number of consultations with teachers	108
Number of consultations with parents	39
Number of consultations in behalf of work	46
School health talks	25
Attendance	385
Field visits (home visits)	112
Health supervision	38
Communicable diseases	11
Office visits	9
Transported to Doctor's office	9
Transported to Oculist, Greenfield	1
Transported to Franklin County Hospital	1
Total time spent in school work, May 1, 1938 to January 1, 1939	52 days

This year through the kindness and generosity of Drs. Wright, Dean and Hardy, all children entering school in the Fall were given the opportunity of a thorough physical examination by their own private doctor and also of being vaccinated during the month of June. Twenty-two boys and

girls were done at this time. This Summer round-up has proved very successful and we hope it is an activity with which we will be able to continue.

In May and June, Dental Clinics were held Saturday mornings in Dr. Holton's office. This part of the program we are fortunate in having. The teeth of the children throughout the schools is a thing which all people of the community should show interest. It seems to be a much neglected part of their physical well-being. Let us, in Northfield, see if we cannot improve this condition existing in our school children.

During the month of July several home visits were made for the purpose of giving children, who had re-acted positive to the Tuberculin test, an opportunity to take advantage of the Greenfield Health Camp. I am sure it is not necessary for me to stress the value of such a camp for building up children who are susceptible to this disease. This year the camp opportunities were made available to girls of High School age for it has been found that this age children are more apt to develop the disease. Five children from Northfield took advantage of this opportunity.

Another activity in the month of July was o make arrangements, for children who needs to have their tonsils out, at the Franklin County Public Hospital. Seven children were operated on for tonsilectomy and adenoids.

During the Summer months much time was spent in outling the year's program for the Nurse's school work. Typed sheets were made out by the nurse to give each teacher in the schools with suggestions of a program in regard to the health work with the boys and girls in our schools and giving a definite day when the nurse would visit each school. Thursday of each week was planned as a school day to be devoted strictly to school work. Through the Fall and early Winter this was followed quite closely.

At the time of the physical examinations, in October, invitations were sent to each parents in the lower grades to be present at the examination of their child, and thus talk with the doctor concerning his findings. Twenty parents re-

sponded to the invitations sent out. We are hoping in another year that arrangements can be made for those parents who need to talk with the doctor, to visit the school at that time.

It was found in the Fall that four children were very much handicaped by speech defects. Arrangements were made through the State Department of Public Health to give these children an opportunity of speech lessons at the Holyoke Hospital, Holyoke, Massachusetts. The children have been transported by Mrs. Ray Thompson, Mrs. William Marshall, and your Public Health Nurse. These lessons continued weekly upto the Christmas holidays.

Miss Juliet Whitaker, Consultant in Public Health Nursing, came to Northfield this Fall and tested the children's hearing in the second, third, and fourth grades by use of the audiometer. Re-tests were done from the results found two years ago where it was found needed.

First Aid Kits have been checked and replenished throughout all the schools.

Arrangements were made by the Nurse for a Christmas party given by the Seminary Freshman Social Group, to twenty-four of the boys and girls in our schools in the third and fourth grades. This was an enjoyable party and was given at the home of Mrs. W. R. Moody. This should be a happy time for girls and boys at this age. Any worthwhile project to stimulate a good mental attitude and development is to the credit of all.

I wish to thank the Superintendent of Schools, and the teachers for their fine spirit of co-operation; the School Committee and Dr. Wright for their help during my period of work this past year.

Respectfully submitted,

EUPHRASIA PURRINGTON, R. N.

Public Health School Nurse

Report of Public Health Nurse

January 1, 1938 — May 1, 1938

To the Selectmen of the Town of Northfield:

I herewith submit my report as District Nurse for the period from January 1, 1938 to May 1, 1938:

Number of Nursing visits	439
Number of Adults taken to Chest Clinic	7
Number of Adults taken to Oculist	1
Number of Adults taken to Dentist	2
Number of Adults taken to Doctor	5
Number of Social Welfare visits	29
Number of Pre-natal visits	20
Number of Post-natal visits	14
Number of Obstetrics	3

I wish to extend my appreciation to all who assisted me in my duties as District Nurse.

Respectfully submitted,

LAURA MARTINEAU, R. N.

May 1, 1938 — January 1, 1939

To the Selectmen of the Town of Northfield:

I herewith submit a report of my work as Public Health Nurse from May 1, 1938 to January 1, 1939. In giving this report, I have made a comparison with the work of the preceding year:

Fees Collected	$80 50	$98 88

In May the annual clinic for immunizing children against diptheria was held. Twenty-three only were immunized. This is a small per cent of our children. Twice this number, you will see, were immunized the preceding year. We hope all will take advantage, this coming year, of that which the town provides so that our town may be 100 per cent immune from the disease. Of those children born from 1928-1938, eighty-five were not immunized against the disease. With those in our schools we find the surprising figure of 178 not immunized.

During the Spring and early Summer we had three cases of Scarlet Fever in town.

Maternal and infant death rate are high. This means that more attention should be paid that mothers be under the docor's care at an early period in their pregnancy. Attention should be given to this in Northfield.

Two emergency over-state-line calls were answered by your town nurse this Fall. This was only done because of the extreme need, one of which proved to be especially so.

Two patients have been cared for by the financing through th John Hancock Insurance Company.

The Northfield Health Council has again started its work. When this committee convened in the Fall, Miss Anne Mattoon, Mrs. Charles Repeta, Mrs. Dudley Taylor, Mrs. A. F. Bennett, Miss Dorothy Johnson, Mrs. Ray Thompson, Mrs. J. V. McNeil and Mrs. John T. Holden were added to the membership to fill the vacancies. Other members are Miss Mary Dalton, Mrs. Ross L. Spencer and Mrs. George Pefferlee. Miss Anne Mattoon was elected chairman, Mrs. John T. Holden, vice-chairman, Miss Mary Dalton, treasurer, and Mrs. Carroll Miller, secretary.

The Council has assisted the Nurse in helping to pack Thanksgiving boxes, and packing Christmas boxes and helping with their distribution. Assistance was given at the

time of a Christmas party given by a group of Seminary students to twenty-four boys and girls in the third and fourth grades.

At the present time the Council is busy developing projects for the benefit of the town. One of these is a Well Baby conference which the Council will begin in May to which mothers may bring their children at regular intervals to be measured and weighed.

The Council is going forward into the coming year with much enthusiasm and a desire to serve the citizens of Northfield to the best of its ability.

At this time I wish to extend my appreciation to all who assisted me in my duties as Public Health Nurse.

Respectfully, submitted,

EUPHRASIA PURRINGTON, R. N.

Report of
Cemetery Commissioners

Bills have been approved for care of the cemeteries of $970.80.

Received from the Sale of Lots

Mrs. Galen G. Stearns	Recorded Page 310	$30 00
J. Lee Bolton	Recorded Page 311	12 50
George W. Carr	Recorded Page 312	12 50
Mary E. Bardwell	Recorded Page 313	6 00
Mrs. Martin Janes	Recorded Page 314	1 00
Total received		$62 00
Paid Treasurer, Town of Northfield		$62 00

Received from Mrs. George L. Spofford Fund	$ 5 08
Paid for Labor	$ 5 08

We ask for an appropriation of four hundred ($400) dollars to care for the cemeteries during the year of 1939.

CHARLES C. MORGAN,

GEORGE N. KIDDER

Commissioners

Report of Fire Chief

The Fire Department has answered 44 calls this year: 6 house fires, 24 chimney fires, 9 grass fires, 1 forest fire, and 4 miscellaneous calls.

Last spring six members attended the twelve sessions of the State Zone school for firemen held at the Greenfield fire station.

This winter a school is being held in our Town Hall basement with men from Gill, Bernardston, and Northfield in attendance.

These schools were istructed by Captain Ackerman of the Greenfield Fire Department and we are fortunate to have the Captain as well as our men give so much of their time to this work.

During Fire Prevention Week, Deputy Chief Ricker and First Aid Supervisor Billings of Greenfield, gave talks on fire prevention and demonstrated fire hazards to the pupils of the Center School and High School.

The tires on the fire truck were six years old last August and should be replaced for the safety of the men.

The truck was inspected by a factory service man who recommended a thorough check-up of the pump and truck.

This last year 100 feet of hose was purchased. We now have on hand 1250 feet of 2½-inch hose, of this amount only 750 feet has been purchased within the last ten years. At least 500 feet should be purchased this year and a like amount each year, in order that we may test and build up our dependable hose to protect more property.

I therefore recommend the following:

Regular appropriation	$750 00
New tires for truck	212 00
Repairs on pump and truck	200 00
New hose	500 00
Total appropriation	$1662 00

The waterholes were cleaned and repaired to the extent of the appropriation. Two were discontinued on Warwick Brook due to the high cost of maintenance. There was not enough money to rebuild the one at the Arthur Bolton farm, which has been empty this past year. This one should be rebuilt. I recommend the appropriation of $200 for waterhole maintenance.

Respectfully submitted,
WILLIS K. PARKER,
Chief of Fire Department

Report of
Gypsy Moth Superintendent

The aount of money available for gypsy moth prevention by the town was $700.

The total number of egg clusters treated in the spring and fall was 70,822.

Quite a lot of private work has been done, especially on the Ridge and this has been much appreciated.

Due to the hurricane there will doubtless be a big increase of moths. I hope the regular appropriation will be kept up as the town is badly infested and the $700 hardly covers one-third of the town.

The appropriation for spraying has been $100. I would like to see this amount doubled as this work helps greatly in checking the gypsy moths.

Respectfully submitted,
RODERIC H. PARKER,
Moth Superintendent

Report of History Committee

"A Puritan Outpost" Written by Herbert C. Parsons

Your committee are sorry to report that the sale of this book has not been up to expectations owing largely to presen conditions. There are many who would like a copy but do not feel they can spare the money at this time. We still have many orders placed some time ago, that parties have not called for their copy. Mr. Parsons writes that the Macmillan Company has made no recent report, the one he did receive some time ago indicated a smaller sale of the book than will appear later and that he has received nothing as yet from royalties, which will be returned to the town whenever made. Payment for all books sold has been made to the Town Treasurer and we have to report 219 books now on hand.

Respectfully submitted.

CHARLES C. STEARNS, Ch.
FRANK W. PEARSALL
A. GORDON MOODY
ARTHUR P. FITT
WILLIAM A. BARR
HERBERT C. PARSON, ex-officio

Northfield History Committee

Report of Town Accountant

In compliance with the provisions of Chapter 41 of the General Laws, I submit the following report of the Accountant's Department for the calendar year ending December 31, 1938, including the source of all receipts, detail of appropriations and expenditures, statement of trust funds and town deb, and a balance sheet showing the financial condition of the town January 1, 1939.

FRED H. DOOLITTLE, Town Accountant

FRED H. DOOLITTLE, Town Accountant

Report of State Auditor

January 13, 1939

To the Board of Selectmen
Mr. Fred A. Holton, Chairman
Northfield, Massachusetts

Gentlemen:

I submit herewith my report of an audit of the books and accounts of the town of Northfield for the year ending December 31, 1938, made in accordance with the provisions of Chapter 44, General Laws. This is in the form of a report made to me by Mr. Herman B. Dine, Assistant Director of Accounts.

Very truly yours,
THEODORE N. WADDELL,
Director of Accounts

TNW:FC

Mr. Theodore N. Waddell
Director of Accounts
Department of Corporations and Taxation
State House, Boston

Sir:

In accordance with your instructions, I have made an audit of the books and accounts of the town of Northfield for the year ending December 31, 1938, and submit the following report thereon:

The financial transactions, as entered on the records of the several departments receiving or disbursing town funds or committing bills for collection, were examined, checked and verified by a comparison with the books of the town accountant and the treasurer.

The books and accounts of the town accountant were examined and checked in detail. The recorded receipts were checked with the treasurer's books, while the recorded payments were compared with the treasury warrants and the treasurer's record of disbursements. The appopriation accounts as recorded on the ledger were checked with the town

meeting records of the town clerk, the transfers from the reserve fund were compared with the authorizations of the finance committee and all other accounts were checked with the information in the departments in which the transactions originated.

The ledger was analyzed, a trial balance was taken off, and after the necessary adjusting and correcting entries had been made, a balance sheet, which is appended to this report, was prepared showing the financial condition of the town on December 31, 1938

It was noted that there was an overdrawn appropriation at the close of the year, and attention is again called to the provisions of Section 31, Chapter 44, General Laws, which prohibits the incurrence of liabilities in excess of the appropriation.

In addition to the appropriation overdrawn referred to, the expenditures for aid to dependent children charged to the federal grant available for meeting such expenditures were $42 in excess of the aggregate amount of the grant received. Attention is therefore called to the fact that charges against federal grants should not exceed the amount of such grants actually received and in the treasury.

The surety bonds of the town officials required to furnish them for the faithful performance of their duties were examined and found to be in proper form.

The tax title deeds in the custody of the treasurer were checked with the accounts of the collector, treasurer, and town accountant.

The books and accounts of the treasurer were examined and checked in detail. The receipts, as recorded, were compared with the departmental records of payments to the treasurer and with the other sources from which money was paid into the treasury. The payments were checked with the selectmen's warrants, the cash book was footed, and the cash balance on December 31, 1938, was proved by a reconciliation of the bank balance with a statement received from the bank of deposit and by actual count of the cash in the office.

The receipts for licenses issued by the board of selectmen were checked with the record of licenses granted, and the payments to the treasurer were verified.

The books and accounts of the tax collector were examined and checked in detail. The tax accounts outstanding at the time of the previous examination were audited, and all subsequent commitment lists of taxes were added and proved with the assessors' warrants. The recorded collections were checked, the payments to the treasurer were verified, the abatements as recorded were compared with the assessors' record of abatements granted, and the outstanding accounts were listed and proved with the ledger accounts.

The outstanding accounts were further verified by mailing notices to a number of persons whose names appeared on the books as owing money to the town, and from the replies received it appears that the accounts, as listed, are correct.

The recorded receipts from rentals of town property were compared with the payments to the treasurer.

The records of receipts of the sealer of weights and measures were examined and checked with the records of fees charged. The payments to the treasurer were verified, the outstanding accounts were listed and the cash on hand was proved by actual count.

The financial records of the town clerk were examined and checked in detail. The receipts on account of dog and sporting licenses were checked with the record of licenses issued. The payments to the State and to the town treasurer were verified, while the cash on hand was proved by actual count of the cash in the office.

The records of receipts of the community nurse were checked, and the payments to the treasurer were verified.

The records of accounts receivable in the highway, public welfare, old age assistance, cemetery, and school departments were examined and checked. The departmental records of charges were analzyed, the collections were compared with the payments to the treasurer, the abatements

and disallowances were checked, and the outstanding accounts were listed and proved with the accountant's ledger.

It is again recommended that disallowances and abatements be reported promptly to the town accountant, so that his ledger may reflect the true financial condition of the town at all times.

The records of receipts of the librarian for fines were checked. The payments to the treasurer were compared with the treasurer's recorded receipts and the cash on hand January 5, 1939, was proved by actual count.

The books and accounts of the trustees of the Martha W. Alexander Charity Fund were examined and checked. The recorded receipts from trust fund income were verified and the disbursements were proved by inspection of cancelled checks on file. The cash balance was proved by reconciling the bank balance with a statement received from the bank.

The securities and savings bank books representing the investment of trust funds in the custody of the town treasurer, trustees of the Alexander Charity Fund, and the selectmen were examined and listed, the income being proved and the payments being verified.

Appended to this report, in addition to the balance sheet, are tables showing a reconciliation of the treasurer's cash, summaries of the tax and departmental accounts, as well as tables showing the condition and transactions of the trust funds.

While engaged in making the audit, co-operation was received from the several town officials, for which, on behalf of my assistants and for myself, I wish to express appreciation.

Respectfully submitted,

HERMAN B. DINE, H
Assistant Director of Accounts
